Inconel™ 625 Hose

Construction: Annular / Standard Pitch
Material: Hose: Inconel alloy 625
Braid: Inconel alloy 625
Characteristics: Medium weight / Medium flexibility

### Alloy 625 Annular Corrugated Hose – Superior Resistance to a Wide Range of Corrosive Environments

---

a. Pressures listed have been reduced to account for welding as the method of attachment. Other methods such as brazing, neck down designs or crimping will result in different pressures. Contact the factory for details.

b. Test pressure is 1.5x the Maximum Working Pressure.
